About MES

Muslim Educational Society [MES] started in the year 1964 by a group of socially conscious and well known professionals, intellectuals, educationists and businessmen. The society has been promoting a large number of educational programmes right from primary schools to professional colleges. At present the society runs more than 150 educational institutions which includes professional institutions like Engineering Colleges, Medical College, Nursing College, Dental College, NAAC accredited Arts & Science Colleges, Women's Colleges, more than 50 schools including aided and unaided schools under state, CBSE, and ICSE syllabus.

About MESITAM

MES Institute of Technology And Management, started during the academic year 2009 - 2010, is the second Engineering college promoted by MES. MESITAM has approval from AICTE & Government of Kerala and is affiliated to A P J Abdul Kalam Technological University. The college is located at Thirumukku, Chathannoor, Kollam, Kerala.

About MESITAM ALUMNI ASSOCIATION

MESITAM Alumni Association was established in the year 2013. The association plays an active role as a bridge between alma mater and alumni. It empowers the institution with its support in various activities including placement. Association also hosts several programs for the benefit of the student community, fellow graduates and institution.

SCIENCE EXHIBITION

For HS & HSS students

- ▶ Registration through phone/email/whatsapp.
- ▶ A team of max two members from the same school can participate.
- ▶ Any number of teams can participate from the same school.
- ▶ A team can submit only one project.
- ▶ Team should submit projects developed solely by them.
- ▶ Team should setup their project themselves and should remain throughout the judging period.
- ▶ At the end of the exhibition, Team should remove the project exhibited. Organizing committee will not be responsible for anything that is left behind.
- ▶ Team must be prepared to answer the questions raised by the judges regarding the project.
- ▶ Team should bring all associated equipment for the perfect connectivity, like extension cords. Electrical outlets will be provided only if requested in the registration form.
- ▶ Commercially prepared kits or models cannot constitute a major portion of the project.
- ▶ Team should be solely responsible for the safety and security of their equipments.
- ▶ No hazardous, toxic or flammable materials are to be used. Candles, Bunsen, Burners and electrical heating devices are not allowed.
- ▶ Standard laboratory safety rules must be observed.
- ▶ If team constitutes partners from different grade levels, the higher grade among the two will be considered.
- ▶ Participants must abide all the rules and regulations set by the committee.
- ▶ Reporting Time : 9:30 AM to 10 AM.
- ▶ School ID Cards/Certificates issued by the school authority should be produced while reporting.
