2017

About MES

MES movement was started in 1964 by a group of socially conscious and well-known professionals, intellectuals, educationalist and businessmen. The society has been promoting a large number of educational projects and programmes right from primary schools to professional colleges. In short span of time, its activities spread over almost every district in Kerala by starting a large number of MES educational institutions. At present the Society runs more than 150 institutions which includes professional institutions like Engineering colleges, Medical college, Nursing College, Dental College, NAAC accredited Aided and self financed Degree/PG Colleges, Women's Colleges, more than 50 schools including Aided Higher Secondary Schools, Aided Schools, CBSC & ICSE Schools.

In addition to the institutions in the states of Kerala and Tamil Nadu, MES had established institution in West Asian countries Like Saudi-Arabia, U.A.E., Qatar and Muscat.

About MESITAM [Code MEK]

MES Institute of Technology and Management, an Engineering college with academic excellence, Chathanoor started during the academic year 2009-2010 is the second Engineering College promoted by MES.
